

Scholarships

Several universities provide scholarships to top finalists at the Canada-Wide Science Fair. Self-nomination is not required for these awards; the recipients are selected as part of Medal judging.

Dalhousie University Faculty of Science Entrance Scholarship

Sponsor: *Dalhousie University, Faculty of Science*

- A Dalhousie University Faculty of Science entrance scholarship of \$5,000 is offered to each gold medal winning senior finalist.
- A Dalhousie University Faculty of Science entrance scholarship of \$2,500 is offered to each silver medal winning senior finalist.

These awards are in addition to any other Dalhousie entrance scholarship awarded through the regular application process; however, students may only claim one CWSF-based scholarship.

UBC Science (Vancouver) Entrance Award

Sponsor: *The University of British Columbia (Vancouver)*

A UBC Vancouver Science entrance scholarship is offered, \$4,000 to each senior gold medalist and \$2,000 to each senior silver medalist. To be eligible for the scholarships, finalists must be admitted to the UBC Faculty of Science (Vancouver campus) and register directly from secondary school. Winners who are in grade eleven may defer the award for one year.

A CWSF finalist is eligible to only one UBC science entrance scholarship. If a finalist receives multiple scholarships, at the regional or national level, s/he is entitled to claim the scholarship with the greater monetary value (if there is a difference).

Eligibility:

Students in a team: If a project wins a medal, that is presented by two students, both team members will be eligible for a full UBC Science Entrance Award (worth \$4,000 for a senior gold medal winner and \$2,000 for a senior silver medal winner, respectively).

Note: To be eligible for the scholarships, finalists must be admitted to the UBC Faculty of Science (Vancouver campus) and register directly from secondary school.

Multiple prize winners: A student is eligible for one UBC Science scholarship. If a student receives medals over two years, s/he is entitled to retain the award with the greater monetary value (if there is a difference). Note: To be eligible for the scholarships, finalists must be admitted to the UBC Faculty of Science (Vancouver campus) and register directly from secondary school.

Winners at the regional and national level: A student is eligible for one UBC Science scholarship. If a regional UBC Science award recipient goes on to receive an award at the national level, s/he is entitled to retain the award with the greater monetary value (if there is a difference). Note: To be eligible for the scholarships, finalists must be admitted to the UBC Faculty of Science (Vancouver campus) and register directly from secondary school.

University of Manitoba Entrance Scholarship

Sponsor: *University of Manitoba*

The Office of the Vice-President (Research and International) at the University of Manitoba offers a renewable entrance scholarship for students who have been awarded a Gold Medal for a senior project at the Youth Science Canada's - Canada-Wide Science Fair. Each year, a maximum of twenty scholarships, valued at \$5,000 each, will be offered to undergraduate students who:

1. have been awarded a Gold Medal for a senior project at Youth Science Canada's Canada-Wide Science Fair within the previous two years;
2. qualify for admission to University 1 or any direct entry program;

3. subsequently enrol full-time (minimum 24 credit hours) in University 1 or any direct entry program.

The award is renewable, at the same value, in the second year of study provided that the recipient:

1. continues to be enrolled full-time (minimum 24 credit hours) in any faculty or school, excepting the Faculty of Graduate Studies;
2. has achieved a minimum degree grade point average of 3.0.

A student who has been awarded more than one Gold Medal for a senior project (i.e. in his or her grade 11 and grade 12 years) will be offered only one renewable Canada-Wide Science Fair / University of Manitoba Entrance Scholarship.

The Canada-Wide Science Fair / University of Manitoba Entrance Scholarship may not be held with any other University of Manitoba entrance scholarship excepting the Chown Centennial Scholarship and the Advanced Placement and International Baccalaureate Scholarship Enhancement. A recipient who is also named to receive a University of Manitoba renewable entrance award may hold that award, in name only, in the first and second years of study.

He/she will be entitled to hold the renewable entrance award in the third and fourth years of study, provided that he/she meets the renewal criteria for that award.

The Office of the Vice-President (Research and International) will notify Financial Aid and Awards of the recipients each year.

Those who accept the University of Manitoba Entrance Scholarships are offered an undergraduate research internship to work with scientists and take part in important scientific discoveries during the summer preceding their first year of studies in an undergraduate program at the University of Manitoba. The recipient will earn approximately \$3,000 as a research assistant to one of the world-class professors.
